STAGE REHEARSAL

Wednesday June 7th, 2023

4:30pm – 8:00pm

at the

McCarthy Middle School

- Certain recital routines will be rehearsed on stage in full costume. The rehearsal will be designed so that all dancers will get to practice at least one of their dances in full costume onstage. We will release the list and a tighter schedule on June 1.
- Parents may stay at the dress rehearsal, but be prepared to stay in your designated area. There will be signs to help and everyone will sit with their class.
- This is a great time for dancers to watch other routines be rehearsed. Help your dancer practice good audience etiquette by making sure they aren't running around the auditorium, or talking loudly while other kids are onstage.
- Please inform Jackie by email if your dancer has a conflict.
- Please aim to arrive fifteen minutes before the rehearsal to check in. It helps us stay on schedule when everyone is prepared. Send your dancer with a water bottle and snack.
- Please remember to bring all of your costume pieces and accessories to the rehearsal. Even our older students need your support to feel confident, so please help them try on things ahead of time and organize their belongings. It's important to practice on stage in costume!
- Recital staff will be available throughout the afternoon to address questions regarding the rehearsal and performance. Any remaining tickets and t-shirts will be on sale.
- This dress rehearsal will be a great opportunity to take pictures and videos! Please, no cameras during the actual recital performance.

RECITAL DAY INFORMATION

- ❑ We highly recommend purchasing your tickets before the recital to allow for the best experience for everyone.
- ❑ Please, no phones, cameras, or recording devices during the recital performance. This is proper theater etiquette as well as a security issue. There will be spaces in the lobby and in front of the school where you can take pictures.
- ❑ Young Dancers will be dismissed to a grown up during the first intermission. Please consider staying to support the older dancers!
- ❑ Please have your dancers hair and makeup done before arrival. Parents will not be allowed in the dressing area.

BACKSTAGE GUIDELINES

- Recital Staff will be on hand to sign in dancers prior to the performance and direct them to the rest of their class. During the performance dancers will be backstage and we encourage family members to remain in the audience to support the other dancers until the end of the recital. Dancers will not be allowed in the audience area during the Act of the show they are performing in.. When you check your dancer in for the recital, make sure they have everything they'll need.
- Do your dancer's hair and makeup at home please, and bring them dressed in their costume and ready to go! Our experienced Recital Staff will be on hand to take care of all hair, makeup, and costume needs throughout the day after students are checked in, but should not be working from scratch during the busy prep time before the show.
- Please clearly label all of your costume pieces and accessories and be prepared to leave them with your dancer upon sign in. Water only will be allowed in the dressing room, no food. Make sure your dancer has breakfast and lunch before the show!

SHOES AND TIGHTS

- All students will need the correct footwear discussed in class for the recital. Tights are in stock at Damien's Dancewear in North Chelmsford. Ask for Capezio or Body Wrappers tights in the color listed in your costume info sheet. It's very important that all students have the same color and brand of tights.
- Label all shoes with the students name or initials so there is no confusion backstage.
- Tights MAY be on sale at the studio for \$10- each! We have some inventory leftover from last season. Email with your size and color request.
